

Bentham Area Refugee Support Group

Our aims are to

- make it clear that refugees are welcome, promoting support for and the welcoming of Refugees and Asylum Seekers in accordance with the principles of International Law.
- offer what support we can to refugees who are already here, those that are to come and those struggling for survival elsewhere.

We have organised collections of clothes and food for refugees in Europe and for those who have arrived in Bradford; raised money for the Red Cross Europe Crisis Appeal; organised film shows and information days.

We have lobbied the authorities to encourage a more positive response to welcoming refugees and to taking up refugee issues. We have had two weekends inviting guests from the Bradford Red Cross Refugee Drop – in Centre to stay in homes in and around Bentham and Burton and enjoy local hospitality.

There is lots still to do. Do join us.
